## Infinite Campus & Late Work

- a. All grades will be posted in Infinite Campus. Materials and assignments will be given in Google Classroom on the Classwork page. It is **critical** that students turn in work on time so they don't get further behind on their other projects.
- b. Students who turn in work after the assigned deadline may be subject to penalties of **up to 50% off their assignment grade** depending on the circumstances.
- c. Late work will not be accepted under any circumstances when there are fewer than two weeks left in the quarter.
- d. Students are expected to meet deadlines and to contact Ms. Johnson when possible in advance to discuss any issues with due dates.
- e. If absent, the student must communicate with Ms. Johnson regarding the situation and needs for the missing work. **\*\*Note:** The student will receive an "M" (for Missing) in the Infinite Campus gradebook. This means that it will be averaged as a "0" until the assignment is submitted.
- f. If a student does not turn in the assignment after being reminded twice, it will turn to a zero and cannot be made up for points.
