REGISTRATION CLOSSES Fri. May 30th

***** For Incoming Kinders: ***** Students MUST be toilet/ potty-trained*

***Pull-ups are not permitted.** To be considered potty-trained, a child must be able to do ALL of the following:

-Tell an adult they must go potty BEFORE they have to go (They must be able to say the words "I have to go potty.")

-Can INDEPENDENTLY pull down their underwear and pants and pull them back up when done; -Can INDEPENDENTLY clean their bottoms after using the toilet; -Get off the toilet by themselves; -Wash and dry their hands

-Postpone going if they must wait for someone who is in the bathroom or if outside and away from the classroom

- **Childcare K-6:** Kids Express (KE) will offer reduced pricing day camp for Summer Academy students that are enrolled in 2 classes **from 8:25am-12pm**. Kids Express-Jacobson El. site will transport from that location to Hancock El. Summer Academy and back to Kids Express Jacobson El. at **8:25am AND 12:00pm**. **There is no transportation for classes prior to 8:25am or for students enrolled in 1 class only. STUDENTS MUST BE CHECKED IN EACH MORNING WITH KIDS EXPRESS TO PARTICIPATE IN BUS-SING!**

Please contact Kids Express or log into your Eleyo account to request childcare. Enrollment option is 'Summer Learning/Academy Extended Care'. **Registration opens March 3, 2025.**

Incoming Kinder childcare: location at Perry High School.

Elementary Summer Academy Tips & Things to Know

- **ENROLLMENT:** Summer Academy (SA) courses will only be carried upon sufficient enrollment. If a class is canceled, no worries! We offer a full refund or you can simply select a different class for your child. Just give us a call or email us and let us know.
- **ATTENDANCE & GRADES:** Elementary courses are designed to enhance and enrich learning. During the summer program, teachers check and monitor attendance daily. Although we would like students to attend everyday, attendance is not mandatory. In addition, students will not receive an official grade in any of the courses.
- Students will have practice assignments to enhance the daily concepts taught during the program. However, no grades or report cards are given in Summer Academy. Homework is not given unless specified by a class.
- **CODE OF CONDUCT:** During the summer session, all students are expected to adhere to Chandler Unified School District's (CUSD) Code of Conduct. Uniforms are not necessary.
- **DRESS CODE:** Students are expected to adhere to the CUSD Dress Code. For dress code violations, students will contact their parents for a change of clothing. Repeat occurrences will result in a parent meeting.
- **MAPS:** Summer Academy is very similar to the regular school year. Students arrive on the first day a little nervous and apprehensive. Classroom assignments and locations will be available the first day of class in the entrance area to the campus. Knowing the exact name of the class will make it much easier in finding the classroom.
- Please be patient and understanding during the first couple of days as we work to get your child settled in their class. Please note that walking your child directly to their class will be permitted on the two days only.
- Transportation services are **not** available. Students are expected to be picked up on time at the conclusion of their class. Upon the 3rd late pickup, the student will be dis-enrolled. If for some reason you are delayed due to an emergency or unforeseen circumstance, please contact the SA office at the site to notify us as soon as possible. Parent drop-off and pick-up area- Cars must enter the South parking from South Gardner Drive.
- **Childcare:** Enroll in '*Summer Learning/Academy Extended Care*' through your Kids Express Eleyo account. Transportation provided from Kids Express Jacobson El site to Hancock El. for students enrolled in 2 classes from 8:25am-12pm. If students opt to remain with Kids Express on camp days, the full daily Kids Express rate will apply. **STUDENTS MUST BE CHECKED IN EACH MORNING WITH KIDS EXPRESS TO PARTICIPATE IN BUSSING!**
- We are staffed with a health assistant. However, you must submit a doctor's order for any health issues along with proper medication.
- In order for your child to receive the most help during the summer session, please provide the teacher with the most current IEP/504 for your child. Also, consult with your child's special education teacher / Department to see if he/she qualifies for Extended School Year (ESY) support.
- Summer Academy can help with retention of materials; however, it will not replace a teacher's recommendation for retention.
- Academic ELA & Math classes: On track CTA students should enroll in the class or classes that are one year ahead of current grade level. If struggling with current grade level material, please enroll in the current school year grade level.
- Staff is available to escort students from their 1st session class to their 2nd session class if applicable. They will also ensure your child is escorted to the designated parent pick up area or childcare at the conclusion of their last class.
- Make sure your child brings a bottle of water and a snack/ lunch daily.
- Please be patient and courteous during student drop off and pick up. ALWAYS use the crosswalk and please remember that student safety is our number one concern!

Elementary Academic & Enrichment Courses (Grades K-6th)

DIGITAL STORYTELLING

Digital Storytelling: This class is designed for students entering 2nd through 3rd grades. Students will use Storybird to create a digitally illustrated story. This class will engage students in the writing process while creating a digital storyboard accessible anywhere.

Storytelling	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 2 nd -3 rd	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

coding for {kids}

Coding for Kids: This class is designed for students entering 4th through 6th grades. Every student in every school should have the opportunity to learn computer science. This class will teach students the basics of coding. They will use programs such as Bitsbox and Code.org to create animations with increasing levels of complexity.

Coding	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 4 th -6 th	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20

Lights, Camera, Action! This class is designed for students entering 1st through 3rd grades. In this class students will become onstage actors! Groups of students will select a script, rehearse their piece, and perform before an audience. Students will develop their reading fluency and improve their comprehension by engaging the reader in a dynamic performance.

Lights	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 1 st -3 rd	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20

Crime Lab: This class is designed for students entering grades 4th through 6th. Do you love a good mystery? Have you always wanted to be a detective? This class provides students with an engaging and educational experience while investigating a mystery. Students will use real-life application of the scientific inquiry process to solve a crime.

CrimeLab2	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 4 th -6 th	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

Lab Rats: This class is designed for students entering 3rd through 6th grades. No supplies needed. Let's explore the fun world of science. In this class, students use the inquiry method to complete fun, hands-on experiments. Students create a hypothesis and complete a lab sheet while inquiring about the endless possibilities of science. Some experiments may include self-zing soda, milk and food coloring mixtures, and how to make an egg float (just to name a few). They will explore the world around them and learn all at the same time.

LabRats1	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 3 rd -6 th	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20

STEM Program: (A) This class is designed for students entering 4th through 6th grades. Have you ever wondered how a pendulum works, or a roller coaster is built, or even how to launch a rocket? This class will answer all these questions and more. This class is designed for students who want to learn about energy, space, and water through a comprehensive STEM (Science, Technology, Engineering and Mathematics) curriculum. Students will construct robust models and obtain an in-depth understanding

of the world around us.

STEM A	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 4 th -6 th	Hancock Elem.	8:25 am - 12 pm	6/2-6/20	\$310	15/20

Digits, Dice, and Dominoes: This class is designed for students entering 1st or 2nd grades. Have fun practicing math concepts through hands-on games and activities. This class is an exciting way to investigate and review math concepts aligned to or with state standards. Come join this class and let's explore the math world!

Digits	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 1 st -2 nd	Hancock Elem.	10:15 am - 12:00 pm	6/2-6/20	\$160	15/20

Creative Writing: This class is designed for students entering 2nd through 6th grades. Shel Silverstein, Dave Pilkey, and Gordon Korman all started writing when they were young. Is your child filled with stories? Do they love telling them, but have a difficult time when it comes to writing? Students will work through the writing process to create several short stories. They will also learn to choose interesting words to make their papers sound more imaginative.

Writing1, Writing2	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 2 nd -3 rd	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20
ENROLL NOW	Entering 4 th -6 th	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20

Jumpstart to 1st Grade: This class is designed for students entering 1st grade. This First grade readiness program will reinforce kindergarten skills and preview skills for First grade. Students will participate in great literature and extension activities, fluency practice, hands on math games emphasizing number sense and much more! Each session will provide unique content.

Jumpstart1	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 1 st	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20

Fitness Fun: This class is for students entering 1st through 3rd grades. Need to get those wiggles out this summer? Students will rotate among stations to improve agility, flexibility, and overall health. Some stations will include: throwing skills, cooperative activities, relays, yoga stretches, and so much more. Students will also play games such as soccer, volleyball, and basketball. If you want to make sure you're in the best shape ever, this is the class for you!

FitnessFun	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 1 st -3 rd	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20

Around the World: This course is designed for students entering 1st through 6th grades. Wishing you could travel this summer, but don't have a passport? No problem! Students will discover the world beyond Arizona. Travel to Italy, Japan, Brazil, and Canada and other great destinations. Students will create a travel journal, learn about the customs and traditions, famous buildings, history and people of each destination. Join this class and share your 'travel' stories with friends and family upon your return.

World	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	K-2 nd	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL NOW	Entering 3 rd -6 th	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

Improv: This class is designed for students entering 5th through 7th grades. This program will bring out the humor in all children through the fun and excitement of improvisational comedy. Improvisation will help boost confidence, build critical thinking skills, and bring out some really cool creativity. Students will build confidence, focus, and learn to think on their feet. They will also develop listening, public speaking, and teamwork skills. Come and let your imagination be sparked!

Improv1	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL NOW	Entering 5 th -7 th	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

Fun with Food: This course is designed for students in 1st through 6th grades. Oodles of noodles, pretzels, cookies, and snacks of all kinds, these are a few of the items we'll create! Not only will you produce, delicious treats, you'll get to eat and write about them. At the conclusion of the course, students walk away with a personalized cookbook of recipes and observations to share with family and friends. (Note: stove or ovens will not be

used)

Food1, Food2	Grades	Location	Time	Dates	Fees	Min/Max

Academic classes focus on ELA, Math and integrated problem-based learning experiences. Enroll in the grade level that corresponds with your grade in 2024-2025.

On-track CTA students should enroll in the class or classes that are one year ahead of current grade level.

PRE-K GOING into KINDER-Kinder Ready Combo: This class is recommended for students entering kindergarten. **ELA-** Students will retell familiar stories, identify and describe characters and elements in stories read aloud. Identify upper and lower case letters. **Math:** Students will work on skills such as counting, shapes, and numbers. Students will understand the relationship between numbers and quantities within 10. Compare numbers and quantities.

KinderReadyELA, KinderReadyMath	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA & Math)	Entering Kinder	Hancock Elem.	8:25 am - 12:00 pm	6/2-6/20	\$310	15/20

Kindergarten: This class is recommended for students currently in kindergarten. Students will reinforce comprehension skills by asking and answering questions about stories.

Kindergarten Math: Kindergarten students will develop competency with counting, understanding of addition and subtraction, and place value understanding of whole numbers through 19.

KinderELA, KinderMath	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA)	Current K	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL (Math)	Current K	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

1st Grade ELA: This class is recommended for students currently in 1st grade. Students will reinforce foundational and reading comprehension skills such as describing character, setting and major events in a story. Making connections and comparing characters and events.

1st Grade Math: First grade students will develop an understanding of addition, subtraction, and strategies for addition and subtraction within 20 as well as a competency of whole number relationships and place value.

ELA1, Math1	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA)	Current 1 st	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL (Math)	Current 1 st	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

2nd GRADE

2nd Grade ELA: Students will reinforce foundational and reading comprehension skills such as identifying the main topic of multi-paragraph text. Exploring different text features. Demonstrating understanding of characters, setting or plot.

2nd Grade Math: Second grade students will extend place value understanding of whole number relationships and place value as well as develop competency strategies for addition and subtraction.

ELA2, Math2	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA)	Current 2nd	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL (Math)	Current 2nd	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

3rd GRADE

3rd Grade ELA: Students will reinforce foundational and reading comprehension skills such as determining the main idea of a text, recounting and paraphrasing key details. Exploring stories, dramas and poems. Explaining how specific aspects of a text contribute to what is conveyed in a story.

3rd Grade Math: Third grade students will fluently add and subtract multi-digit numbers to 1000, develop competency in multiplication and division and strategies for multiplication and division within 100, and develop an understanding of fractions as numbers, especially unit fractions.

ELA3, Math3	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA)	Current 3rd	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL (Math)	Current 3rd	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

4th GRADE

4th Grade ELA: Students will reinforce comprehension skills such as determining the theme of a story, drama or poem, summarizing a text. Describing the overall structure of a text. Interpreting information presented visually, orally or quantitatively. Making connections and drawing inferences.

4th Grade Math: Fourth grade students will develop competency with multi-digit multiplication and an understanding of dividing to find quotients involving multi-digit dividends, as well as an understanding of fraction addition and subtraction with denominators.

ELA4, Math4	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA)	Current 4th	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL (Math)	Current 4th	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

5th Grade ELA: Students will reinforce comprehension skills such as determining the theme of a story, drama or poem, summarizing a text. Determining two or more main ideas of a text and explaining how they are supported by key details; summarize the text. Comparing and contrasting the overall structure of events, ideas, concepts or information. Using multiple text sources to write or speak about a topic.

5th Grade Math: Fifth grade students will develop competency in dividing whole numbers, an understanding in performing operations with decimals to hundredths as well as apply their understanding of fractions and fraction models to efficiently and accurately add and subtract fractions with unlike denominators.

ELA5, Math5	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA)	Current 5 th	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL (Math)	Current 5 th	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

6th Grade ELA: Students will reinforce comprehension skills such as determining a theme or central idea of a text and how it is conveyed through particular details; providing a summary of the text distinct from personal opinions or judgments. Describing how a particular story or drama's plot unfolds in a series of episodes as well as how the characters respond or change as the plot moves toward a resolution.

6th Grade Math: Sixth grade students will develop an understanding of ratio and rate and use multiplicative reasoning to solve ratio and rate problems as well as an understanding of expressions, equations, and inequalities.

ELA6, Math6	Grades	Location	Time	Dates	Fees	Min/Max
ENROLL (ELA)	Current 6 th	Hancock Elem.	8:25 am - 10:10 am	6/2-6/20	\$160	15/20
ENROLL (Math)	Current 6 th	Hancock Elem.	10:15 am - 12 pm	6/2-6/20	\$160	15/20

**Have a
wonderful
Summer with
us!**
