

SALUTE

What you need:

- ★ One deck of cards (jokers removed)
- ★ Three players

How you play:

- ★ Two players (Players A and B) face each other, and the third player (the judge) sits on the side
- ★ The two players (A and B) each pull a card from the deck and place it on their forehead without looking at the card
- ★ The judge adds the two facts and says the sum out loud
- ★ Players A and B look at the card (on their opponent's head), and say the number of the card that is on their own fore
- ★ The player that says the missing fact first wins both cards. The player with the most cards wins the game.

Example:

- ★ Players A and B are facing each other. Player A places a seven on his forehead and Player B places a six on his forehead.
- ★ The judge says, "Thirteen."
- ★ Player A looks at the six on Player B's head, and says, "Seven."
