DATE: February 16, 2017

Below is important information regarding the AzMerit and AIMS science testing schedule. AzMERIT testing will take place through your child's 3<sup>rd</sup> hour homeroom class on March 29<sup>th</sup>, 30<sup>th</sup> and 31<sup>st</sup> (see schedule below). AIMS science testing for 8<sup>th</sup> grade students only will be on April 11<sup>th</sup> and students will be testing from 9:06-11:31 on this day.

**Please try to avoid scheduling appointments on the date/time your child is testing as testing must be completed in 1 session.** If you have to pull your child out after they have begun the test, they will not be able to finish it at a later time. If your child arrives late to a testing session they may have to be pulled on another day to complete their test.

This year, all AzMerit testing for English and Math will be computer based and administered online. AIMS science will be a paper based test.

AzMERIT testing will be during the dates and times listed below. Please note that we will only have two periods during these testing days, extending students' lunch time to 60 min. **We thank you in advance for having your child present on testing days!**

### Wednesday, March 29<sup>th</sup> (Day 1) – WRITING

### Thursday, March 30<sup>th</sup> (Day 2) – MATH PART 1 & READING PART 1

### Friday, March 31<sup>st</sup> (Day 1) – MATH PART 2 & READING PART 2
