

## Registration: Kindergarten and Preschool

### Kindergarten

Chandler Unified School District is pleased to offer free full-day kindergarten for the 2016-2017 school year. Registration is under way and will continue throughout the remainder of the school year. Children who turn five by August 31 are eligible to register. Children who turn five after August 31 and before December 31 may be assessed in order to determine if they would qualify for early entrance into the district's kindergarten program. For more information regarding the Kindergarten Readiness Test please visit our website at [www.cusd80.com](http://www.cusd80.com) or call the Community Education office at 224-3900.

### Preschool

Chandler Unified School District's high-quality preschool programs help prepare children to enter kindergarten with a healthy self-concept and a positive attitude toward school and learning. This is accomplished by offering

age appropriate curriculum designed to develop social, emotional, physical and cognitive abilities in our students.

Our preschool curriculum is aligned to the Arizona Early Learning Standards, which were developed for all children 3-5 years of age and serve as a guide in providing a quality program that is developmentally appropriate for each child.

We offer a two, three, or five day program for preschool aged children as well as a Kindercademy program. Classes are offered mornings or afternoons and schedules vary according to program. Our preschool programs follow the CUSD Calendar.

To find out more, please visit [www.cusdcommunity.com](http://www.cusdcommunity.com) or call the Early Childhood Programs office at (480) 224-3900.
