CLASSROOM NEWS

..... week of: July 24th

What We're Learning

- **Classroom Procedures**
- **DIBELS:** Our district-wide Dibels assessment for reading will be on Wednesday. Our team will meet afterwards to finalize math and reading placements based on their scores as well as kindergarten teacher recommendations. Please understand that we will place your student in the class we feel best meets your student's needs and changes may occur during the year.

Upcoming Events

- 7/26 DIBELS Testing
- 7/28 Frozen Friday
- 7/31 Vision/Hearing Screening

A Note from the teacher

It has been such a joy getting to know your wonderful first graders! They are such a special group and I feel incredibly lucky to be their teacher!

We will officially begin using our behavior calendars on Monday. At the end of each day, Students will mark their behavior levels (1-4) on their calendar. Level 3 and level 4 reflect good choices throughout the day. If your student receives a 1 or a 2, I will include a brief explanation. Be sure to initial their calendar each evening and keep it safe inside their black daily take-home folder. Folders should be brought to school every day!

Starting Monday, first graders will be dismissed from our building. They will be responsible for walking themselves out after dismissal. Please remind them the importance to go directly to their spot. Thank you!! ☺
