Kindergarten Homework

Kindergarten students will receive monthly homework. Each day (Monday-Thursday) will have one or two assignments for the students to complete. Some assignments are written while others are activities for your child to do orally or with materials at home. All written assignments have a page in the packet for the work each night, please initial the square that you completed. Then return the packet every Friday in their folder so that I can check the week’s work. I will send the packets home again with your child on Friday afternoon.

Additionally, students should read or listen to an adult read at least one book every day. Please record the minutes that you read by coloring in an item on the reading log recording sheet on the back of the monthly calendar. This reading calendar will be part of our grade level reading program and students will be eligible for rewards and certificates.

Thank you for your help! ☺
