# About Mrs. Crow

Welcome to Mrs. Crow's Nest! My name is Rebecca Crow and I am so excited to be your child's teacher this year!

I am looking forward to working with you and your child to ensure that they have the most positive and productive first grade experience possible! 😊

Let me start by telling you a few things about myself! My family and I moved to Chandler last year from the northwest suburbs of Chicago. My daughter, Samantha, will be a sophomore at The University of Arizona. I am a graduate of The University of Iowa with a degree in Elementary Education with a specialization in Reading and a minor in Psychology.

I received my Master's Degree from Saint Xavier University in Teaching and Leadership. I started teaching in 1993 as a Seventh and Eighth Grade Reading and Language Arts Teacher, was a Title One Reading Teacher for Grades K-3, and taught First Grade for several years. I was a stay at home mom for seven years, and then returned to the classroom as a long-term substitute for 12 years in grades K-6. This past school year I taught Kindergarten at Patterson Elementary. I am super excited to be at Jacobson and teach first grade. This age group has always had my heart!
