National Junior Honor Society Application

National Junior Honor Society is an organization recognized around the country. The organization is based on five pillars, or values, that represent its mission and its members. Those pillars are scholarship, leadership, citizenship, service, and character.

As a member of the Payne NJHS chapter, you would participate in many activities on campus and in the community to help others. On campus, we recycle paper for our classrooms. Each member additionally helps in their community by volunteering their time to any other business, charity, or organization that they are interested in helping.

Your association with NJHS means that you will commit to assisting with our recycling program several times each quarter (Fridays at 8am), inside school service projects, outside of school hours service projects, and assistance with various fundraisers before, during, and after school.

NJHS members represent the best of Payne Junior High School and maintain the highest grades possible. They are leaders and role models. It is a great honor to be a member of NJHS and we expect the very best.

If you think this is something you would be interested in, please complete the following packet and make sure it is turned in by the deadline noted inside.

Thank you.

Mr. Giaramita and Ms. Brigham
