A Note from the Teacher – Ms. Maize

Please have your child practice the following sight words/color words that have been introduced in class words nightly at home. Children should be able to read, write and spell these words correctly.

The **October Homework Calendar** will be coming home in Sunshine Binders tomorrow. Please follow the directions listed on the top, right corner of the sheet, as well as complete the journal on the back. The homework/journal sheet is due on Friday, October 30th. I suggest keeping a spiral notebook at home for your child to complete any written work. Occasionally there will be additional homework project assignments that will come home throughout the month that will also need to be presented and turned in. Look for a Senses homework project to come home on Friday 10/16.

What Are We Learning?

Reading: This week we will be exploring and learning about how our senses help us learn about the world.

We will review previously taught reading skills from the first quarter.

We will learn about sensory words and context clues when writing and reading.

New Sight Words:

Pink, see

Math:

Finishing up Chapter 3: Represent, Count and Write numbers 6-9

Writing: In journals, we will work on developing sentences using complete thoughts, spaces, forming letters on the correct lines, capitalization when needed and correct punctuation. We will work on Informative writing while focusing on our word choice.
