Dear Parents and Guardians,

Tomorrow you will receive a survey. I ask that you take a few minutes and fill it out and send it back to school with your child. This is a survey regarding everything on campus including the classroom, the cafeteria, the playground, and even Kids Express (our new before and after school care on campus). Thank you in advance for your time on this survey!

It is Spring. What that means on a school campus is.... The field is FULL of beautiful ladybugs. If you drive by campus during recess and see all of the children looking and hunting in the field- it is for lady bugs. We are having a blast with this activity! We are working with the children to not capture the ladybugs and keep them in their pockets or any container. Thank you for enjoying this activity with us and encouraging your children to allow the ladybugs to stay in the field.

We have our last two days of testing next Monday and Tuesday. Please make certain to have your child here and staying the full day of school. Thank you!

Queridos padres y tutores,

Mañana recibirá una encuesta. Le pido que se tome unos minutos para completarla y enviarla a la escuela con su hijo. Esta es una encuesta sobre todo en el campus, incluido el salón de clases, la cafetería, el patio de recreo e incluso Kids Express (nuestro nuevo cuidado antes y después de la escuela en el campus). ¡Gracias de antemano por su tiempo en esta encuesta!

Es primavera. Lo que eso significa en un campus escolar es.... El campo está LLENO de hermosas mariquitas. Si conduce por el campus durante el recreo y ve a todos los niños mirando y cazando en el campo, es por mariquitas. ¡Nos lo estamos pasando super con esta actividad! Estamos trabajando con los niños para que no capturen a las mariquitas y las guarden en sus bolsillos o en cualquier recipiente. Gracias por disfrutar con nosotros de esta actividad y animar a sus hijos a que permitan que las mariquitas se queden en el campo.

Tenemos nuestros dos últimos días de pruebas el próximo lunes y martes. Asegúrese de tener a su hijo aquí y quedarse todo el día de clases. ¡Gracias!
