Dear Parents and Guardians,

Happy New Year! I hope that your family was able to welcome 2023 with love and joy all around you.

IMPORTANT MESSAGE: Last week the Chandler Unified District Administrators sent home a letter to all of our students. The letter was to inform our families that the school district is recommending to the School Board that next year will be the last year that San Marcos Elementary will be a school. They are proposing to send all our students to another school beginning the year after next year. We **HIGHLY** encourage you to attend a meeting that is planned to discuss this recommendation on **January 25th at 5:30 in our cafeteria**. This will be a time for you to receive information, ask questions, and share your opinions regarding this topic. The teachers and I will also be at this meeting to help you ask questions. I hope to see you there.

Queridos padres y tutores,

Feliz Año Nuevo! Espero que su familia haya podido recibir el 2023 con amor y alegría alrededor de ustedes.

Mensaje importante: La semana pasada los administradores del Distrito Unificado de Chandler enviaron una carta a casa a todos nuestros estudiantes. La carta fue para informarle a nuestras familias que el distrito escolar está recomendando a la Junta Escolar, que el próximo año sea el último de San Marcos Elementary como escuela. Ellos proponen enviar a todos nuestros estudiantes a otra escuela, comenzando el año después del próximo. Le animamos muchísimo que atiendan una reunión que está planificada para discutir las recomendaciones, el 25 de enero a las 5:30 pm en nuestra cafetería. En esta reunión recibirá información, pueden hacer preguntas y compartir sus opiniones en relación a este tema. Los maestros y yo estaremos en esta reunión para ayudarles a hacer preguntas. Espero verlos a todos ahí!
