Dear Parents and Guardians,

In the next two weeks we are asking you to attend two BIG events:

- **Parent Teacher Conferences this week on Wednesday or Thursday.** Please check your appointment time and attend on time. If you need to reschedule- let us know ASAP so we can find a time that will work for you and your child's teacher.
- **Family and Community Meeting next week on Feb. 21st at 5:30 PM.** This will be very different than the first meeting- you will have an opportunity to ask questions in person and give your opinions. Children will be given the opportunity to go to an activity room during the meeting.

A huge thank you to the PTO for a successful Family Dance last week. I'm already looking forward to our next family activity!

Queridos padres y guardianes,

En las próximas dos semanas le pedimos que asista a dos GRANDES eventos:

• **Conferencias de padres y maestros esta semana el miércoles o jueves.** Por favor verifique la hora de su cita y asista a tiempo. Si necesita reprogramar, infórmenos lo antes posible para que podamos encontrar un horario que funcione para usted y el maestro de su hijo.

• **Reunión familiar y comunitaria la próxima semana el 21 de febrero a las 5:30 p. m.** Esta será muy diferente a la primera reunión: tendrá la oportunidad de hacer preguntas en persona y dar sus opiniones. Los niños tendrán la oportunidad de ir a un salón de actividades durante la reunión.

Muchas gracias al PTO por el exitoso Baile Familiar la semana pasada. ¡Ya estoy deseando que llegue nuestra próxima actividad familiar!
