Dear Parents and Guardians,

Welcome to fourth quarter! This last quarter of our school year is full of learning and events for each grade level! Attendance is very important so that your child can be here to learn and have fun at school. There will be randomly selected days throughout the quarter that students who are in attendance that day will receive small incentives just for being on campus. We have school wide fun days planned throughout the quarter to help celebrate our learning and attendance at school.

We will be taking our required AASA tests this month. On the testing dates- please do not schedule an appointment that will require your child to miss school or be late/leave early. Please take note of the following dates of testing:

- **April 4th**- Science Test (5th grade only)
- **April 11th**- Writing Test (grade 3-6)
- **April 24th**- Reading and Math Test (grade 3-6)
- **April 25th** - Reading and Math Test (grades 3-6)

Save the evening of April 28th for our Carnival! There will be food and fun for your whole family! We are excited to have this annual event return after taking a couple years off due to Covid. More details to come from our PTO!

Queridos padres y tutores,

¡Bienvenidos al cuarto trimestre! ¡Este último trimestre de nuestro año escolar está lleno de aprendizaje y eventos para cada nivel de grado! La asistencia es muy importante para que su hijo pueda estar aquí para aprender y divertirse en la escuela. Habrá días seleccionados al azar durante el trimestre en que los estudiantes que asistan ese día recibirán pequeños incentivos solo por estar en el campus. Tenemos días de diversión en toda la escuela, planificados durante el trimestre para ayudar a celebrar nuestro aprendizaje y asistencia a la escuela.

Tomaremos nuestras pruebas AASA requeridas este mes. En las fechas de las pruebas, no programe citas que requieran que su hijo falte a la escuela o llegue tarde o se vaya temprano. Por favor tome nota de las siguientes fechas de prueba:

- 4 de abril- Prueba de Ciencias (5to grado solamente)
- 11 de abril- Prueba de escritura (grados 3-6)
- 24 de abril- Examen de Lectura y Matemáticas (grados 3-6)
- 25 de abril - Examen de Lectura y Matemáticas (grados 3-6)

¡Reserve la noche del 28 de abril para nuestro Carnaval! ¡Habrá comida y diversión para toda tu familia! Estamos emocionados de que este evento anual regrese después de no haberse realizado debido a Covid. ¡Más detalles por venir de parte de nuestro PTO!
