Using Clever – CUSD Students

Clever can be accessed from either the Chandler Unified School District website or Clever.com. Use this document to learn how to login to Clever and access instructional content.

Accessing Clever Portal – District Website

1. Open a browser (Chrome browser is recommended for optimized experience)
2. Go to cusd80.com/studentlinks
3. Select Clever app
4. Log in with Active Directory
   a. Username: s + ID#@s.cusd80.com (example: s123456@s.cusd80.com)
   b. Password: same password you use to login to school computer

Accessing Clever – Clever Website

1. Open a browser (Chrome browser is recommended for optimized experience)
2. Go to Clever.com
3. In the top right of screen, you will see a login menu
4. Click the caret and select Log in as a student
5. Search for your school site by name (e.g., Sanborn Elementary School)
   IMPORTANT: Your school may have the same name as another school in the country. Make sure you select the school for Chandler Unified School District.
6. Log in with Active Directory

Account Lockout

After 5 consecutive logon failures, account will be locked out for 30 minutes. Click here to reset/change password. Please contact EDTECH Help [edtechhelp@cusd80.com] if you are unable to login to Clever after resetting your password.
Accessing Learning Applications from Clever – ThinkCentral, McGraw-Hill

You will be able to access learning content from the Clever homepage once you are logged in.
