

Hi orchestra families,

Thank you for enrolling your child in orchestra! I can't wait to meet them and get started on a fun year of music.

Your child has been given the instrument: Violin.

You have two options: you can either rent through the school or rent through a music shop. I have attached a list of possible music stores to rent from.

**Orchestra instruments come in different sizes so they can either get sized here at school when I see them or at a rental shop. Make sure you get the right size for your child. SCHOOL INSTRUMENT ONLINE FORMS WILL BE SENT OUT WITHIN THE FIRST TWO WEEKS OF SCHOOL. THERE IS NOTHING TO DO OR ANYTHING TO FILL OUT AT THIS TIME ABOUT RENTING A SCHOOL INSTRUMENT.**

It is better to rent because the "cheap" instruments you see available to buy online are cheap for a reason. The quality is poor and usually are very difficult to play on for the kids since the quality is so bad. Ignore that pink violin and stay away from Amazon instruments please!

If you decide to rent through the school district, you will receive an email from me within the first two weeks of school in July to sign up for an instrument rental. The fee for the year is only \$80 but you must apply, and the district decides who gets them. It is first come, first served. Just keep in mind that we have a limited number of instruments and we might not have the size your child needs. **It is not guaranteed that everyone will receive a school instrument, so please plan accordingly.** I have to size everyone first, so I will be distributing school instruments within the first two weeks of school. There will be a form sent out by the district. As soon as they send it to me, I will make it available to parents during the first two weeks of school.

The kids will need the following two books, but I do have quite a few available for the kids to use through the school year, so if you want to hold off on buying them, that's perfectly fine!:

Violins will also need a shoulder rest or shoulder pad and rosin. I will not put a link here for the shoulder rest, because they come in different sizes.

Please search “shoulder rest” and then the size of their instrument (ex. ½ violin, ¾ violin..etc).

I'm so excited to teach your child and to have them in my class!

Have a great summer 😊
