# Carlson Weekly Update

DEAR CARLSON FAMILIES,

We had such a great week back and can't thank you enough for your support and patience as we begin the new year and get up and running. I also want to thank you for your cooperation with drop off and our move to a closed campus. I don't want to give the impression you are not welcome at all. I just want you to know safety is our top priority and this will help us know who is on our campus at all times. If you need to be on campus just sign in at the front office and get a visitors badge.

Also, please let your students know that we will not have the cones with their teacher's sign (except for Kinder) out on the basketball courts. We have their room numbers painted on the ground in the same location they will use going forward for their line up location.

## HUGE THANK YOU!

To our wonderful PTO volunteers for welcoming our staff with a homemade breakfast, Tears and Cheers for kinder parents, and for designing and ordering such stylish Carlson spirit wear! # Classroom rules and expectations

To start the year we asked our Carlson students to create a set of rules and expectations to help their classes be successful and here is what they came up with.
