Chandler School Boosters, Inc. Introduction

The Chandler School Boosters, Inc. has been established as a non-profit 501(c)(3) tax exempt organization. The advantages of formal non-profit corporation status include tax deduction for donations made to the organization and limiting personal liability for corporation board members and officers as long as they are acting as reasonable, prudent persons. The organization is exempt from federal taxes as long as revenues are related to charitable and educational purposes for which the organization was established.

Membership of the Chandler School Boosters, Inc. is comprised of parent support organizations (booster groups and PTO's) within the Chandler Unified School District.

Tax-exemption status requires diligent annual information reporting (IRS Form 990), with penalties attached for non-compliance. Cost of preparation of the IRS Form 990 tax return will be shared by all members of the Chandler School Boosters, Inc. on a pro-rata basis. An annual report listing current officers and including financial statements is also required by the Arizona Corporation Commission. The annual fee of \$10 is to be shared by all members of the Chandler School Boosters, Inc.

PARENT SUPPORT ORGANIZATIONS

GUIDELINES FOR OPERATION AND FINANCIAL RESPONSIBILITY

- 1) Parent support organizations must obtain approval and support from school administrator. New parent support organizations must apply for membership in the Chandler School Boosters, Inc. (CSB). Existing members of the CSB must renew annually. Membership forms will be provided by the CSB.
- 2) The parent support organization must develop and adopt bylaws. These bylaws should include provisions for officers and their duties and term of office, electing or changing officers when necessary, amending the bylaws, and following Robert's Rules of Order, as well as other provisions in the Standard Sample Bylaws found elsewhere in this document.
- 3) Officers of the organization should be established as defined in the bylaws (usually: President, Vice President, Secretary, Treasurer; the Vice President is optional.) A Representative and Alternate Representative for the Chandler School Boosters, Inc. must also be selected.
- 4) It is preferable that non-employees serve as officers, but principals, teachers, coaches and classified employees are not precluded from serving as officers. However, principals, teachers, coaches and classified employees may **not** be authorized as signers on any bank accounts. Employees who serve as officers should be cognizant of potential conflict of interest situations and remove themselves from voting on any matter which may be perceived as a conflict of interest.
- 5) The organization must develop an annual budget plan and goals for the organization. Plan activities for the year based on the budget and goals.
- 6) The Treasurer should produce a monthly financial report after the receipt of each bank statement.
 - a) Report should identify all revenue sources during the month and reconcile with the deposits on the bank statement.
 - b) The report should itemize all expenditures paid during the month (including online payment and debit transactions and bank fees/miscellaneous charges), listing by date, check number (if applicable), who it is written to, description of expense, and dollar amount.
 - c) Cash balance on report should be reconciled to cash balance on bank statement. This reconciliation should be reviewed by a non-signatory prior to presentation and approval by the Board.
 - d) Copies of report and bank statement (with account number not showing)) should be made available to all board members monthly and any other members that request or show interest.
 - e) Board members should vote approval of the financial report(s) after being presented at all regular Board meetings. Approval should be noted in the minutes. Similarly, the financial reports should be presented and approved at all regular meetings of the general membership, with approval noted in the minutes. The financial reports should be maintained with the minutes for a minimum of three years.
- 7) Checking accounts should require two signatures on all checks. Monthly bank statements should be mailed to the school address, not an individual's home. Debit cards and online expenses payment services may be used, but it is highly recommended that strong policies be implemented which limit the number of cardholders/users and establish spending limits and expenditure purposes (such as budgeted or pre-approved purchases only).
- 8) To comply with the 2-signature requirement for checks, it is recommended that at least three, preferably four, people be authorized to sign checks. The Treasurer may be an authorized signer, unless the Treasurer is a district employee.
- 9) Money collected through fund-raisers and other organization activities should be accounted for, verified by, and prepared for deposit at the bank by TWO individuals. A duplicate deposit slip should be prepared.
- 10) Minutes of each Board and Membership meeting should be produced, distributed to members, and maintained for at least three years. Copies of the same should be on file in the respective school offices.
- 11) Arizona School Risk Retention Trust insurance policy includes property and liability insurance for parent support organizations while on district property, unless the organization has failed to follow the minimum bylaw requirements, as stated in the Sample Standard Bylaws. Meetings and activities must be approved and co-sponsored by the school administrator. The organization should also be acknowledged by the District Governing Board. Parent groups may also

be covered if approved by District administration to participate in events on non-district property, but please contact the Chief Financial Officer's office at 480-812-7660 to verify coverage in such situations.

Students are not permitted to baby sit for Booster/PTO or any other meetings. Their services are not covered by the District's Insurance policy. Students have not been screened/fingerprinted as regular employees have been.

- 12) The District reserves the right to countermand any decision affecting the District students or property.
- 13) If a parent organization wishes to compensate an employee for services (custodial, security, choreography, etc.), the employee must be paid through the district so that proper payroll deductions are withheld. The parent organization should coordinate with the site administrative assistant regarding reimbursement procedures for the wages and benefits.
- 14) All activities and events, including fund-raisers, also require support from administration. A Fund-Raiser Authorization and Approval Form must be completed. Use of the campus for activities must be pre-approved and coordinated through the school administrator.

When parent support organizations and Student Activity groups are involved in joint fund-raising, the Attorney General has concluded that the proceeds must be allocated proportionately between the two entities, based on effort devoted by each. The principal or designee is responsible for determining that effort and related allocation.

Fund-raising is further addressed in the "Fund-raising in the Chandler Unified School District" section of this document.

- 15) Under no circumstances are keys or security codes to be given to anyone other than District employees. District employees who require access to their facility should contact their administrator, who will make arrangements with Support Services. Contact Robbie Ann Taylor, Support Services at 480- 812-7680. Additional information can be obtained from the Support Services Section of the Administrative Manual.
- 16) When a parent support organization dissolves, any monies should be transferred to appropriate student club.

- 1) A Chandler Unified School District (CUSD) **authorized student activity club**. Receipts and expenditures must be recorded in a CUSD Student Activity Club account. Refer to the CUSD Student Activity Manual.

The principal or designee is responsible for determining that effort and related allocation. (This allocation is not required when a fund-raiser involves parent support organizations and the student body, but not a specific club.)

If a Student Activity club has not already been established for a particular extracurricular activity/sport, then one must be established according to guidelines provided in the Student Activity Manual. Please contact site administration or the high school bookstore manager for a copy of the Student Activity Manual.

Parental and public support for school activities, groups, and curriculum areas are to be recognized and supported by District personnel and students. To a large degree, booster clubs and like organizations can contribute greatly to the overall success of a school program. If at all possible, such clubs should be designed to be supportive of the entire education program, both curricular and extracurricular. In working with such groups, individual school administrators shall be responsible for determining the extent and the nature of parent involvement in the activities and policies of individual school units.

Such booster organizations are not to become involved in the administration or policy development of the school organization.

RAFFLE & BINGO POLICY

Based upon the legal opinions provided by Bill Sims of Santin, Poli, Ball & Sims, P.L.C. and the opinion of the Arizona Attorney General, the District **greatly discourages** the use of bingos for fund-raising. **Should a school decide to hold a bingo or a raffle event, they must follow the instructions in the legal opinions and throughout this document.**

Additionally:

For Raffles:

1. Adult must organize and administer the events.
2. No student may sell or buy a ticket.
3. The District suggests that a small token such as a pencil, candy bar, etc., be provided with the purchase of each tickets.
4. Financial prizes are prohibited.

For Bingo:

1. Adults must organize and administer the events.
2. It is not permissible to charge or accept donations for cards.
3. Financial prizes are prohibited.

Re: District Fund-Raising

You asked me to provide some information regarding what legal fund-raising activities the District and/or a District parent organization could conduct to raise money for athletic programs in the District. I enclose copies of three Arizona Revised Statutes (A.R.S. §13-3301, A.R.S. §13-3302 and A. R. S. §43-1201) and two Arizona Attorney General Opinions relevant to your questions.

A.R.S. §13-3301 defines the terms used in A. R. S. §13-3302, which lists all the legal types of gambling allowed in Arizona and the restrictions. A parent organization would probably qualify as one of the eligible organizations listed in A. R. S. §43-1201, but under the restrictions of that same statute, the organization must have been in existence continuously for five years. I have marked the relevant subsections of A. R. S. §43-1201 to indicate the types of organizations that would qualify.

If the District were to conduct a raffle or other "gambling" type fund-raiser through any entity other than a permitted non-profit organization (in existence for at least five years), there could be criminal sanctions.

Please give me a call if you have any further questions.

Pursuant to A. R. S. §15-253.B, we concur with the following conclusions expressed in your letter to Mr. Alfred C. Strachen of the Amphitheater School District:

1. Parent teacher organizations or other organizations may operate bingo games on school district property upon approval by the governing board of the school district in conformance with A. R. S. §15-1105, provided the organization obtains a **bingo license** pursuant to A. R. S. §5-401 et seq. And A. C. R.R. R15-7-201 et seq. The determination of whether an organization is a "qualified organization" as defined by A. R. S. §5-401(18) is a factual determination, which can only be made on a case-by-case basis. See also Ariz. Atty. Gen. Op. 184-018.

– Casino Night

The Honorable Doug Todd

State Senator

Capitol Complex, Senate Wing

Phoenix, Arizona 85007

Dear Senator Todd:

You have asked four questions concerning application of Arizona gambling statutes to the conduct of “casino night” games by charitable organizations raising funds for charitable purposes. Your request refers to our 1987 opinion concerning methods for lawfully conducting such games. See Ariz. Atty. Gen. Op. 187-101, which describes, in detail, the format used to conduct “casino night” games. We will respond to your questions in order, following a brief explanation of 187-101.

The 1987 statutory revisions to the state gambling laws essentially made all gambling unlawful unless it came within a specific statutory exclusion. See A. R. S. §§13-3303 (Promotion of gambling), 13-3304 (Benefiting from gambling) and 13-3302 (Exclusions). Consequently, the “casino nights” games, which you refer to, are unlawful unless they are conducted in some manner, which either is not gambling or falls within a statutory exclusion. Ariz. Atty. Gen. Op. 87-101.

Our 1987 opinion addressed two separate and distinct methods in which “casino nights” could be lawfully conducted. The first method is the “no consideration” method and the second method is the **raffle** method,” which is only available to bona fide tax exempt organizations, which meet all the requirements of A. R. S. §13-3302(B). A. R. S. §13-3302(B) currently provides:

- B. An organization which has qualified for an exemption from taxation of income under section 43-1201, paragraph 1, 2, 4, 5, 6, 7, 10, 11 may conduct a **raffle** that is subject to the following restrictions:
 - 1. The nonprofit organization shall maintain this status and no member, director, officer, employee or agent of the nonprofit organization may receive any direct or indirect pecuniary benefit other than being able to participate in the **raffle** on a basis equal to all other participants.

Copyright © West Group 1999 No claim to original U. S. Govt. works

2. The nonprofit organization has been in existence continuously in this state for a five-year period immediately before conducting the **raffle**.
3. No person except a bona fide local member of the sponsoring organization may participate directly or indirectly in the management, sales or operation of the **raffle**.

In the “no consideration” method, the charity must “resolve to give away the chips or scrip to anyone who requests them without requiring a donation or other consideration.” Ariz. Atty. Gen. Op. 187-101. In this manner the conduct of the games would not constitute “gambling,” which is defined, in pertinent part, as “an act of risking or giving something of value for the opportunity to obtain a benefit from a game or contest of chance of skill or a future contingent event....” A.R.S. §13-3301(3) (emphasis added).

In the “**raffle** method,” a qualified tax exempt organization as part of a **raffle** and in a manner meeting the criteria set forth in A. R. S. §13-3302(B) may lawfully sell **raffle** tickets to play the games because “(t)he games merely serve to distribute and redistribute the chances of winning the **raffle** among the players.” Ariz. Atty. Gen. Op. 187-101.

You asked whether a charity may “request” a donation from participants or limit the amount of chips or scrip that may be given to the “casino night” participants. As we stated in 187-101, a charity receives consideration for the conduct of gambling if it requires payment in exchange for chips or scrip to play casino games. Therefore, our opinion is that a charity may lawfully “request” a donation only if the organization clearly indicates: that it is seeking a donation and not payment for chips or scrip; that the donor will receive the same amount of chips or scrip despite the size of the donation; and even if a person made no donation, he will receive chips or scrip. Likewise, the organization may limit the number of chips or the amount of scrip a person receives so long as that limit applies to all persons and is not contingent in any manner on the size of the donation. When the “no consideration” method is used, we cannot envision a circumstance when a charity could refuse to give a person who did not donate chips or scrip and still operate a lawful “casino night.”

You also asked whether chips or scrip used in the “**raffle**” method have value and, therefore, constitute consideration paid for the conduct of gambling. As we indicated in 187-101, the “**raffle**” method is the conduct of “gambling” because the chips or scrip are given in exchange for payment of consideration. However, if all the conditions of A.R.S. §13-3302(B) were met the conduct would not constitute unlawful gambling.

409 In response to your question whether a charity may contract with a person or company to conduct a “casino night” by the “**raffle**” method, we conclude that only a qualified tax-exempt organization may conduct the games. The law specifically precludes anyone other than “a bona fide local member of the sponsoring organization (to) participate directly or indirectly in the management, sales or operation of the “**raffle**.” A. R. S. §13-3302 (B) (3) (emphasis added). Furthermore, such a member may not receive any direct or indirect pecuniary benefit from the conduct of the **raffle**. A. R. S. §13-3302 (B) (1).

Finally, in response to your question whether an organization may rent equipment to conduct the “casino night” games, we conclude that section 13-3302(B) does not prohibit a bona fide agreement to rent such equipment. However, such an agreement may not be used to circumvent the provisions of section 13-3302 (3) by permitting non-members to participate directly or indirectly in the management, sales or operation of the **raffle** nor may it be used to provide any indirect or indirect pecuniary benefit to a member of the organization. Consequently, rental arrangements, which call for exorbitant, fees or fees based upon a percentage of sales or receipts from conduct of the games would be unlawful as direct or indirect participation in sales or operation of the **raffle**. See Charnes v. Central City Opera House Association, Colo., 773 P.2d 546, 554 (1989) (holding that an arrangement designed to derive a profit from increased sales of liquor and food at a business establishment due to conduct of gambling constituted “direct or indirect participation in professional gambling.”); People v. Wheatridge Poker Club, Colo., 569 P. 2d 324, 328 (1977) (“We find no significant distinction between ‘taking a cut of the pot’ and charging an hourly chair rental **fee** which permits a player to engage in gambling. In both instances, the individual receiving the money is deriving a ‘profit’ from the gambling activity.”).

Sincerely,

Bob Corbin

Attorney General
