

HOW TO CHECK YOUR GRADES ON GOOGLE CLASSROOM ASSIGNMENTS!

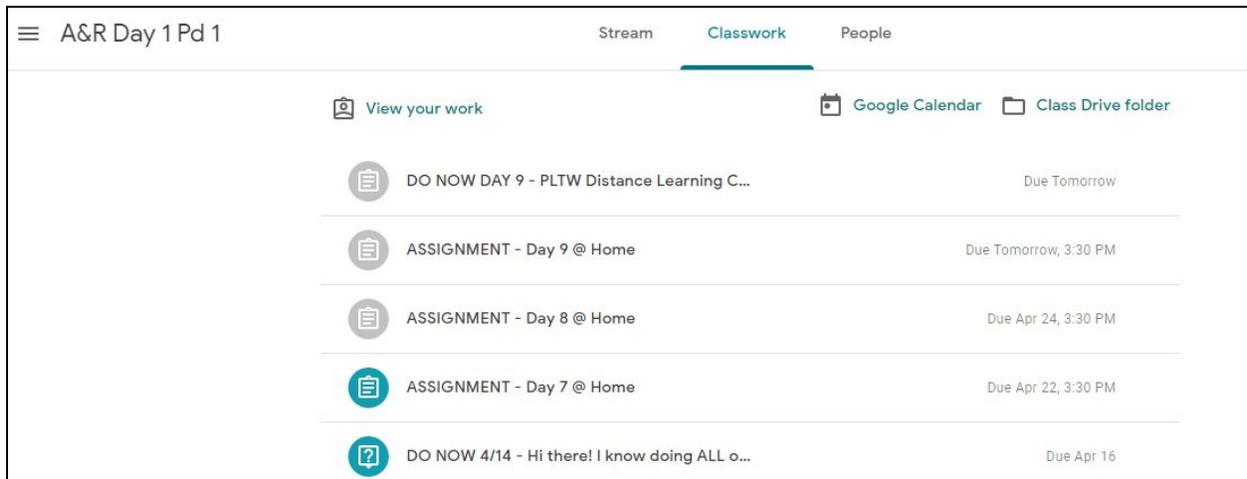

1. Click on the class you would like to check for graded assignments.

2. Click on CLASSWORK - located on the top middle off the page (see highlight below)

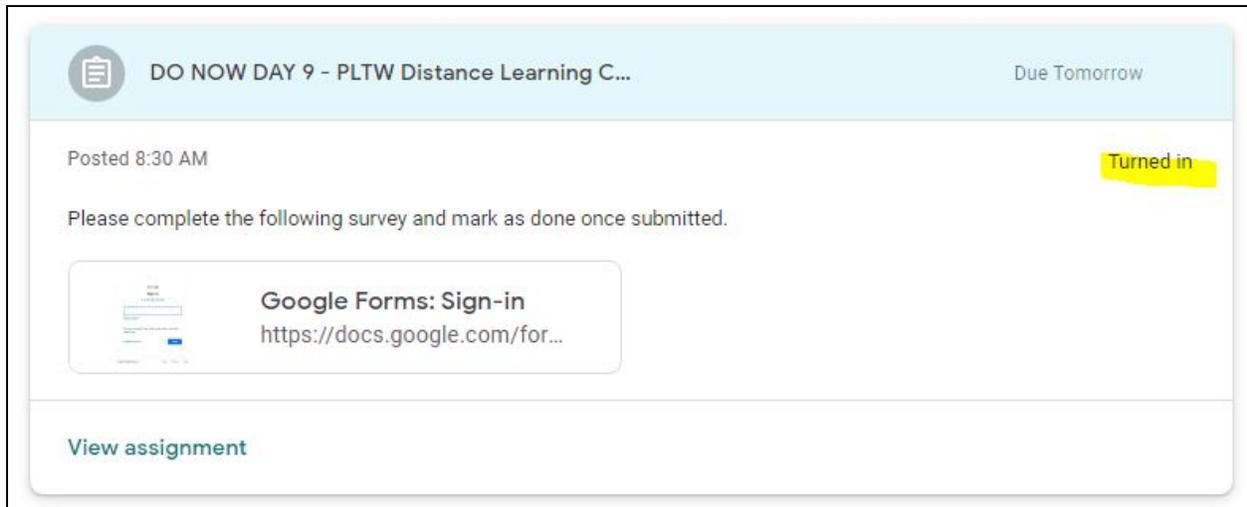

Any work that shows up as **GREY** is work that has been submitted.

If you click on one of the GREY assignments, it will open up an expanded view and indicate whether it has been TURNED IN or GRADED.

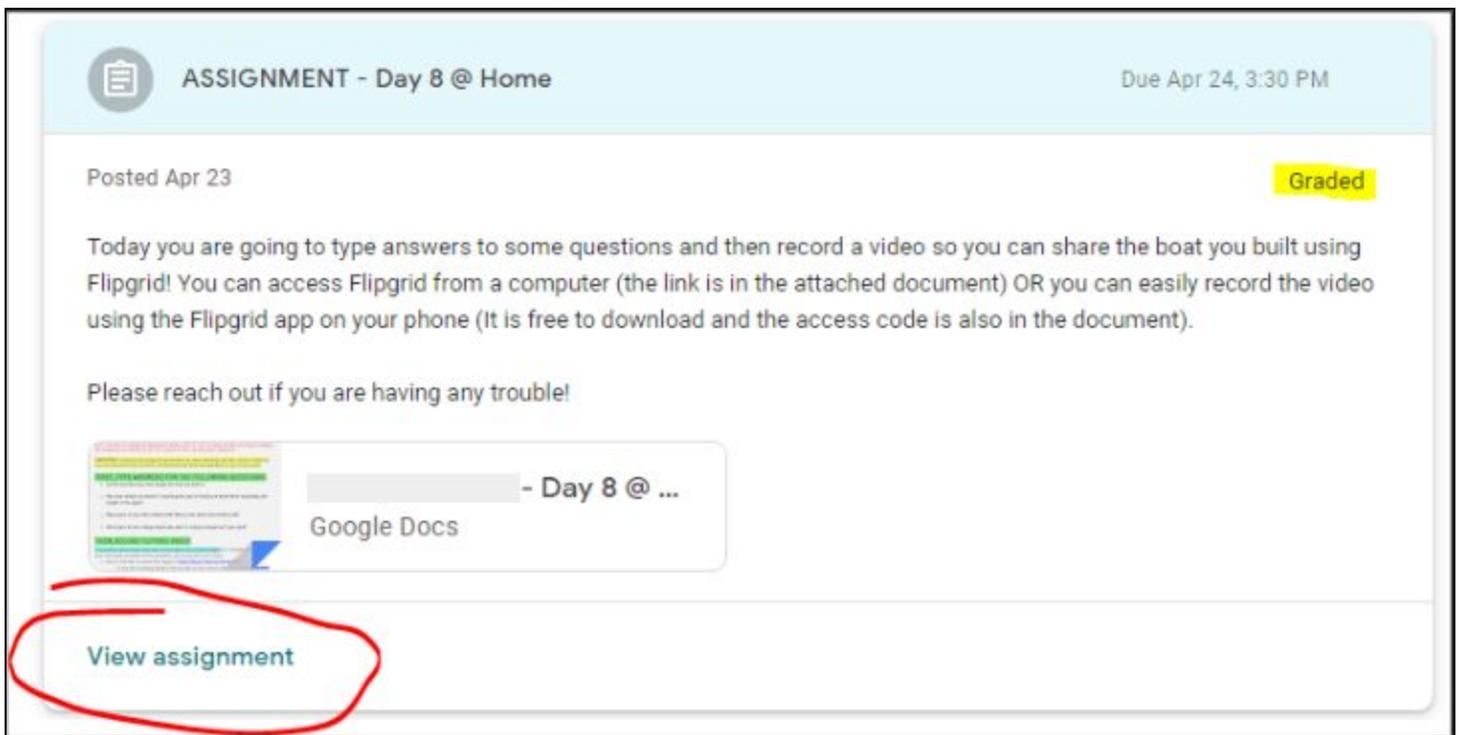

If an assignment says TURNED IN, it means that it has been submitted but not yet graded.

The screenshot shows an assignment card with a light blue header. The title is "DO NOW DAY 9 - PLTW Distance Learning C..." and the due date is "Due Tomorrow". Below the header, it says "Posted 8:30 AM" and "Turned in" in a yellow box. The main text reads: "Please complete the following survey and mark as done once submitted." Below this is a Google Forms link: "Google Forms: Sign-in https://docs.google.com/for...". At the bottom, there is a "View assignment" button.

If the assignment says GRADED, it means it has been given a score.

3. To view the score on a GRADED assignment, click VIEW ASSIGNMENT.

The screenshot shows an assignment card with a light blue header. The title is "ASSIGNMENT - Day 8 @ Home" and the due date is "Due Apr 24, 3:30 PM". Below the header, it says "Posted Apr 23" and "Graded" in a yellow box. The main text reads: "Today you are going to type answers to some questions and then record a video so you can share the boat you built using Flipgrid! You can access Flipgrid from a computer (the link is in the attached document) OR you can easily record the video using the Flipgrid app on your phone (It is free to download and the access code is also in the document). Please reach out if you are having any trouble!". Below this is a Google Docs link: "Google Docs - Day 8 @ ...". At the bottom, there is a "View assignment" button, which is circled in red.

When you click VIEW ASSIGNMENT, it will open a page with assignment details. As you can see here, this student scored 1/1 point.

The screenshot shows an assignment page for 'ASSIGNMENT - Day 8 @ Home' by Krysta Carlstrom, due on Apr 24 at 3:30 PM. The assignment is marked as 'Graded' and shows a score of 1/1. The 'Your work' section displays a submitted Google Docs file. Below this, there is a 'Resubmit' button and a 'Private comments' section with an 'Add private comment' button.

If you see assignments that are NOT grey, it is for one of two reasons - it was either not completed at all or it was returned because the assignment was not completed according to directions and has been returned to adjustments can be made.

If you see an assignment showing as MISSING and you know it was previously submitted, you need to check the comments left by the teacher and make changes before clicking "Turn in" again. To do this, follow the directions below:

1. Click on the assignment you want to check (Remember - MISSING assignments are not grey).

The screenshot shows a classwork stream for 'A&R Day 1 Pd 1'. The stream is filtered to show 'Classwork' and includes links for 'View your work', 'Google Calendar', and 'Class Drive folder'. The list of assignments includes: 'DO NOW DAY 9 - PLTW Distance Learning C...' (Due Tomorrow), 'ASSIGNMENT - Day 9 @ Home' (Due Tomorrow, 3:30 PM), 'ASSIGNMENT - Day 8 @ Home' (Due Apr 24, 3:30 PM), 'ASSIGNMENT - Day 7 @ Home' (Due Apr 22, 3:30 PM), and 'DO NOW 4/14 - Hi there! I know doing ALL o...' (Due Apr 16).

When you click on an assignment, it will open up an expanded view. You will see that the assignment is marked as **MISSING**.

2. Click **VIEW ASSIGNMENT** to see further details.
