PERRY HIGH SCHOOL COUNSELING NEWSLETTER

Welcome to the 20/21 School Year!

We are looking forward to welcoming back students on campus on October 13, 2020. This newsletter is an effort to get you informed on some helpful information and ensure that you are aware of which counselor is assigned to you and how to connect with us. We look forward to working with you and getting to see your smiling faces again!

Have Questions About Reopening?

Are you wondering where your bus stop is? How to get an ID or where to buy a parking pass? For all the latest reopening news, click here:

<https://www.cusd80.com/domain/11735>

Taking an AP Class This Year?

Be sure to register for your AP test. Students were able to start making payments for the tests on 8/19 and payments will be collected until October 26th, 2020. For more info visit our AP website:

<https://www.cusd80.com/Domain/3302>

Need to See Your Counselor?

We are launching a QR code that will be located around campus. QR codes will be located in the hallways of each building and in each bathroom. Our hope is to increase access to us and limit the lines that form in the front office. Now you can request to see a counselor anytime. An appointment confirmation will be sent to you via email once your time is scheduled. No more long lines to get in to see your counselor.

Calling All Freshmen!

Excited, worried, confused, relieved about coming back to in person learning? Want a chance to get a tour prior to in person learning? Come tour Perry High School on 10/12 from 7:30-9:30am at John Wrenn Football Stadium. More information to come soon. Check out the Perry website for details.

<https://www.cusd80.com/Domain/3255>

Parent Appointments?

Parents do you want to schedule time with your child's counselor? We are available to meet with parents, M-F from 7:00 to 2:30. We are happy to schedule time with you and your child. Any parent that would like to attend a meeting with their child can also scan the QR code to schedule an appointment.

ACT/SAT Info for Class of 2021

Are you wondering if you can or should take the ACT and SAT for college? Perry will provide all Seniors the ACT during the school day on 10/20/20. This is the makeup test that you did not get during Q4 last year as juniors. All seniors are encouraged to take advantage of this test. You will fill out all the required information for the test in your senior English classes. This test is separate from the paid Saturday test dates. For more info on how to get registered for a Saturday test, go to the [Career Center](#). Tests are not offered on Saturdays @ PHS. See [College Board](#) or [ACT](#) for dates.

Senior Info:

SENIORS: Remember to schedule your appointment with Lou Coopey's All Pro for your portraits. **Reserve your photo session by 11/1** at LouCoopey.com. Read our [Letter to 2021 Grads & Parents](#) for more information on the expected attire and session options. Here is a link to our presentation from Parent/Senior Night – [Click here](#).
