Language Arts: Next week's story is *The New Friend*. This will be our last official week of reading groups for the year. Check your reading teacher's website and spellingcity.com link.

Science - This week we started our unit on objects in the sky. We've learned so many cool facts about the moon and the sun.

Math - We've started learning about partitioning shapes or fractions. We've learned about equal parts, halves, and quarters.

Here's the 'SCOOP'!

Karate Words - Remember to have your child practice their karate words. The first set of karate lists are words that your child should know by the end of first grade.

Terracycle - We are collecting salty snack bags (chips, pretzels, popcorn, crackers) ONLY. They are no longer accepting granola bar wrappers. These would normally just wind up in your trash, so if you have any at home, please send them in. This in support of ASCPA.

Important dates:

- 5/3 ~ Splash Bash RSVP due
- 5/6 ~ Field Trip Permission Slip Due
