

Dear Parents,

The following is the third list of frequently used words that I would like your child to be able to recognize quickly. We practice automatically recognizing these words daily in class, and I encourage the students to practice at home as well. When your child can read these words without hesitating or having to sound them out, please sign the bottom portion of the form and return it to school with your child. Thanks for your support in developing your child's reading fluency.
