ALL ABOUT ME

Hi friends! My name is Mrs. Miller and this is my 3rd year here at Auxier. I was born & raised in the east valley and currently reside in Queen Creek with my husband and our two dogs, Mia & Blue. One fun fact about my family is that my husband is also a teacher! I received my Bachelor's of Education at ASU. When I'm not teaching, I love to read, create art, shop, go out to eat, and spend time with my family. I'm so excited to get to know you this year!
