Congratulations to the 7th and 8th grade boys Baseball teams who brought home two EVC championships this quarter. All of our teams made it deep into the playoffs, and we couldn't be more proud of all of our 1st quarter sports teams. next season we will offer boys basketball, Girls Softball, Cross Country, and Tennis.

Thank you to Student Council for making last week so exciting by hosting Clash Wars, Homecoming Parade, Classic Car Show, and of course our Homecoming dance. In addition, they decorated our halls the week before Homecoming. Thank you student council for all that you do to make Casteel great.

Our fine arts departments took to the stage over the last two weeks. If you were not able to attend our CTE film crew was there to provide a live stream of the events. Drama took the stage last night and made every laugh. If that wasn't enough our Visual Arts department has started to fill the PAC art gallery with amazing pieces of art.

[CUSD just approved the next five years of school calendars. you can find them by clicking here. Planning on taking an exciting trip in 2029? Now you can check to see if your students will be missing any class.](#)

Thanks to the generous contributions from our community partners and families, as well as the efforts of our dedicated educators and volunteers, the Chandler Education Foundation (CEF) <https://www.chandlereducationfoundation.org/> has raised nearly \$300,000 over the past two months in support of the Chandler Unified School District!

CEF, an independent nonprofit organization, is on a mission to ignite community support for educational opportunities that pave the way for lifelong success for CUSD students. This is possible through our annual Cash for Classrooms campaign in August and the Golf Tournament & Fundraiser in September, events that rally our local community to generate supplemental funding for classroom resources, scholarships, crisis assistance, teacher training, and more. These funds will also support the record-breaking 150 grant applications we received from teachers for initiatives that further provide a strong foundation for student success.

We extend our heartfelt gratitude to everyone who donated, participated, volunteered, and supported these efforts. Keep an eye out for updates on these funds that continue to drive academic excellence in your child's school!

We hope you enjoy your October break. School resumes Tuesday October 17th.

# LIVING LIBRARY

★ **TUESDAY, NOVEMBER 7TH, 6-8 PM** ★

**Come meet Casteel Staff, family, friends and community members who have served their country in the Armed Forces.**

You are invited to stop in Casteel's Lundberg Library and honor our nation's Veterans with an evening of discussion, stories, and connections.

There will be lots of laughter and maybe a few tears as well.

During our Living Library event, local Veterans will be available to be "checked out" for a brief personal conversation. The Living Library concept focuses on the belief that oral history discussions and interviews are a powerful way to share stories, information, and lessons.

Please come join us for a delightful evening of conversation. You will leave with a much deeper understanding of the reason for the Veterans Day federal holiday. Light refreshments will be available.
