Dear Colts:

We are excited to share some great news with you! Last Friday night, we had 80 talented elementary students perform with our band during our future band night. It was an incredible event, and we are so proud of all the hard work our students put into making it a success.

Our Junior High School students participated in their first dance of the year. The student council did a nice job getting our cafeteria decorated and ready for our youngest colts. Thank you Junior High Student Council for all of your hard work.

We also want to congratulate Jadyn Orava, for achieving 1,000 Varsity kills in volleyball and Kennedy Thompson, for making 1,000 assists in volleyball. These are incredible accomplishments and show the hard work and dedication that our students put into their passions.

Hannah Droeg, from our flag football team, was recently ranked #1 punter in the nation. Arizona is the only state that has kicking in the rules for flag football. It's an impressive accomplishment for an outstanding young lady.

The Men's and Women's Cross Country team held an invitation on the last Friday of break. When it was time to announce the winning teams, our Colts came out on top and we couldn't be more proud of their performance.

Congratulations to our Girls Golf team that took first place at the CUSD invitational this weekend. This is an impressive win against teams that are among the best in the nation. Way to go ladies! We are proud of you.

The coaches in our Wrestling program were recently recognized by the National Wrestling Coaches Association as the Arizona Assistant Coaching staff of the year. Congratulations coaches and thank you for all of your hard work and dedication to the athletes of Casteel.

As a school, we are also going through the accreditation process with Incognia. This means that there will be surveys going home as part of this process, and we need your feedback to help improve. We appreciate your participation in this process and your ongoing support of our school.

Finally, we wanted to let you know that the library will be closing at 3:00 pm for the next few weeks. We apologize for any inconvenience this may cause and appreciate your understanding.

[Junior and Seniors, ASVAB testing is coming! This test is not just for the military. It helps students discover their strengths and help them explore career options. Students who are interested should sign up in the Career Center. The ASVAB will take place on November 16th at 8:00 a.m.](#)

Thank you for all your support and involvement in our school community. We look forward to working together to make Casteel High School the best it can be.

*Jayson Phillips*

## Engineering

### Possible Professions

Marine Engineer  
Industrial Engineer  
Mechanical Engineer  
Computer Engineer  
Chemical Engineer  
Biomedical Engineer  
Civil Engineer  
Electrical Engineer  
Aeronautical Engineer  
Materials Engineer

Casteel's engineering program is a vigorous 4 year program that prepares the students to either be prepared to enter a technician program or a 4 year college degree program. Casteel is the only high school in the Chandler school district that offers a four year program ending with the senior design capstone class. Students are able to earn dual credit through Chandler Gilbert Community College for the first two years of the program.

## Digital Photography

Digital Photography is a career path on it's own but it is also a skill that is used in many different career paths. In today's market companies are looking for employees who are multifaceted with a wide skillset. The digital photography career path is expected to grow 4% according to the US Bureau of Labor Statistics. This career path offers students a wide range of ways to into the field as well. They can get a position right after high school or choose to attend college to further their knowledge. At Casteel we offer hands on projects that reflect real world projects and provide students an opportunity to plan their photo projects, take the photos and edit their photos. At the end of their second year students test to become an Adobe Certified Professional in Photoshop. This certification shows potential employers that the students are already highly skilled.

### Possible Professions

Lifestyle Photographer  
Wedding Photographer  
E-Commerce Photographer  
Fashion Photographer  
Real Estate Photographer  
Gallery Assistant.

# VETERANS DAY

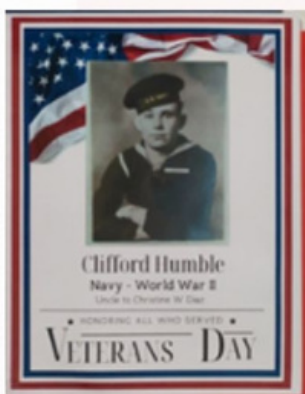

★ REMEMBER ★ HONOR ★ CELEBRATE ★

## CCHS STUDENT FAMILY VETERAN PHOTOS

Casteel HS we would like to celebrate the Veterans in our students' families by displaying photos of the veterans in their family.

**If you would like to include your family in Casteel High School's Veterans Day displays, you can submit photos and/or information using the QR code or emailing Christine Diaz at [diaz.christinew@cusd80.com](mailto:diaz.christinew@cusd80.com).**

Submissions will be used to create a one page hallway flyer such as the ones featured below.

# VETERANS DAY

★ REMEMBER ★ HONOR ★ CELEBRATE ★

**CASTEEL HIGH SCHOOL**

**PRESENTS A**

# LIVING LIBRARY

★ **TUESDAY, NOVEMBER 7TH, 6-8 PM** ★

**Come meet Casteel Staff, family, friends and community members who have served their country in the Armed Forces.**

You are invited to stop in Casteel's Lundberg Library and honor our nation's Veterans with an evening of discussion, stories, and connections.

There will be lots of laughter and maybe a few tears as well.

During our Living Library event, local Veterans will be available to be "checked out" for a brief personal conversation. The Living Library concept focuses on the belief that oral history discussions and interviews are a powerful way to share stories, information, and lessons.

Please come join us for a delightful evening of conversation. You will leave with a much deeper understanding of the reason for the Veterans Day federal holiday. Light refreshments will be available.
