Thanksgiving is a special time of year when families and friends come together to celebrate and give thanks. It provides an opportunity to connect with loved ones, share stories, and create lasting memories. We hope you find your Thanksgiving break one that is filled with friends and loved ones. On behalf of the entire Casteel staff, I want to say thank you for all that you do for your students and the programs at Casteel. I couldn't help noticing at many of you will be spending Monday night Cheering on our Men's Basketball take on Corona Del Sol at Gilbert High School on Wednesday. On Friday, I am sure I can find some of you in Marana cheering on our Wrestling or at Mesquite HS cheering on our Women's Basketball team, or at Poston Butte on Saturday cheering on our Women's Wrestling program. We see you at our sporting events, concerts, performances, and competitions. Thank you! We appreciate all that you do for Casteel each and every day. I would also like to thank some unsung heroes of Casteel, our athletic trainers and students in sports medicine. If you have ever needed one of our trainers, you know how invaluable they are to the health of our athletes. Thank you, trainers, for making sure all of our athletes receive the care that they need. I would also like to say thank you to our Culinary teachers who hosted a "Chopped", Cookie, and Chili competition last week. It was so much fun to see CTE (Career and Technical Education) students from across the district showcasing their culinary skills. I also need to thank our CTE DECA program for organizing our electives fair. Thank you, Mrs. Penoyar, for helping showcase the wide electives choices that our students have at Casteel High School. Finally, I would like to thank Marie South for her work organizing our Junior High Dance Program last week. Thank you, Mrs. South. It was a blast getting to see how talented our Colts are.

The new year will be on us before you know it. We have just over a month of school left. Finals are given the last two days of the quarter, December 20th and December 21st. I have included the bell schedule in this round up for both of these days. **We do not give finals early.** In most cases, finals are electronic. Please help us by making sure students get in the habit of charging their laptops each night.

SAVE THE DATE: December 7th, 5pm to 7pm @ Chandler Center for the Arts. CUSD will be hosting ASU to discuss "Paying for College - Finance 101." Main topic for discussion is the new changes and impact on FAFSA. Release date for FAFSA is December 2023. This is a district wide event!

DECA is looking for vendors for their Arts and Craft show in December. We also want to thank DECA for working to set up our electives fair that our Colts will participate in next week. Thank you DECA, for helping to highlight the elective options that our students have available at Casteel High School,

Jayson Phillips
