Dear Parents or guardians,

It was SO great to have our Annual Carnival back on campus this year! We saw many of our families together enjoying themselves and spending time together. It was a great time! Thank you to PTO for organizing such a great event and thank you to our faculty for helping in the booths for the entire event! Also, a HUGE thank you to all of the volunteers who made and hung the decorations- this took hours and made the event look very colorful and inviting!

Many of our students are so excited to get to school each morning they are arriving at the gate very early. The students are playing outside the gate and have been seen running in the street and becoming physical with one each other. We do not have supervision until 7:50 AM when we open the gate. Please help your children get to school after the gate opens- or if you are in need of morning childcare call us regarding morning Kids Express childcare in the cafeteria.

Queridos padres y tutores,

¡Fue TAN genial tener nuestro Carnaval Anual de vuelta en el campus este año! Vimos a muchas de nuestras familias juntas divirtiéndose y pasando tiempo juntos. ¡Fue un buen momento! ¡Gracias a PTO por organizar un gran evento y gracias a nuestra facultad por ayudar en los puestos durante todo el evento! Además, un ENORME agradecimiento a todos los voluntarios que hicieron y colgaron las decoraciones. ¡Esto tomó horas e hizo que el evento se viera muy colorido y atractivo!

Muchos de nuestros estudiantes están tan emocionados de llegar a la escuela cada mañana que llegan al portón muy temprano. Los estudiantes están jugando afuera del portón y se les ha visto corriendo en la calle y jugando muy físico entre ellos. No tenemos supervisión hasta las 7:50 AM cuando abrimos el portón. Ayude a sus hijos a llegar a la escuela después de que se abra el portón, o si necesita cuidado de niños por la mañana, llámenos para obtener cuidado de niños Kids Express por la mañana en la cafetería.
