### Spalding

There will not be Spalding this week.

### Language

- Singular and plural nouns
- Grammar test on Friday

### Science

- Physical Properties and changes
- Changing States of Matter: solid, liquid, gas
- Chemical Properties and Changes

### Math

- Percents Greater than a 100% and Percents Less than 1%
- Solve a Simpler Problem
- Mid-Chapter Check
- Compare and Order Fractions, Decimals, and Percents
- Estimate with Percents
- Inquiry Lab
- Percent of a Number

### Social Studies

- The Age of Exploration

### AR Reading

AR is up and running from home computers and laptops. For students who are trying to read a million or more words this year, AR is a great way to keep track. AR will be used for enrichment for the first quarter, so there will not be any AR goals for first quarter. Students are welcome to start taking tests at home. Information on how to access AR is available in our Google Classroom under the Homeroom tab.

### Thank You

- Thank you for the wonderful conferences and your time that we shared to talk about your child.

### Upcoming Events

- Fall Break is October 5-12.

### Supplies

Please look at our websites for the back to school supplies needed.

### First Day Back

Students should bring a water bottle and a snack daily.

Please remind your child to bring all text books back on the first day of school.

Return all Science and Social Studies papers to Mrs. White.
