## Notes

Our 3rd graders had a great time building bridges last week! This week we've enjoyed learning about a baseball great, Roberto Clemente, as well as continuing to practice writing multi-paragraph essays and solidify our multiplication knowledge. We are excited to begin other fun activities such as Art Masterpiece in many of our classes!

It's hard to believe that we are going in to our final week before fall break! Please be sure to check your child's grades on Infinite Campus asap, as teachers will only allow missing work to be turned in for a specific amount of time.

The amount of growth we've already seen this year is really something to be proud of! Keep up the great work and reinforcements at home!
